Our Ship

Majestic Princess® is the newest addition to the Princess Cruises fleet, having sailed on her first cruise on 04 April 2017. This 143,700 tonne vessel carries 3560 passengers, and over 80% of staterooms have private balconies. In addition to the usual features onboard Princess ships, **Majestic Princess®** is the newest and largest Princess ship ever to be based in Australia, and offers the ultimate in premium cruising. You will also enjoy the new Princess Luxury Bed®, featuring the latest in sleep science and technology, developed in association with sleep expert Dr Michael Breus. This is truly the ultimate in sleep at sea. These beds are currently being rolled out across the Princess fleet.

There is over 1000 square metres of designer retail space and two Michelin-star restaurants. Other features include a dramatic glass walkway, The Seawalk® almost 40 metres above the sea, providing amazing views of the seascape. **Majestic Princess®** also boasts The Enclave®, Princess' largest-ever thermal suite, including a hydro-therapy pool which includes a cascading rain shower and therapeutic rain jets. You can relax on heated stone beds or soothing water beds, or indulge in Turkish-style steam baths. With a range of public rooms, **Majestic Princess®** is exceptionally well-suited to our **Classic Concerts Cruise**.

The **Classic Concerts Cruise** cannot be booked through any other travel agency, nor can tickets be purchased on board. Please read the booking conditions shown on the back cover of this brochure, as you will be bound by them.

- Plus all meals and all regular ship-board entertainment
- Government fees, taxes and port charges (subject to change)

Not included:

- Shore excursions

- Items of a personal nature
- Gratuities are payable on board but may be removed or adjusted at your discretion

Redcliffe Cruise and Travel will be pleased to arrange connecting air travel where required, and recommend Princess Cruises' EZAir flight packages which include transfers in Sydney between airport and ship as required, and include Princess Cruises' Next Port Protection. Fares are subject to availability with your preferred airline. Conditions apply.

*NOTE: It is expected that **Majestic Princess**[®] will generate intense interest in the Australian and New Zealand cruise market, and our cruise will be the very first opportunity to cruise in this ship in her inaugural Australian season. For this reason, we very strongly recommend early booking to ensure that you are able to confirm the grade of onboard accommodation you prefer.*

Other Useful Information

Our passengers travel as a special-interest group, and our fares include the cost of private, professional musicians, the hire of public rooms, equipment and incidentals on board necessary to present our private events. Please note that admission to our private events cannot be arranged on board, nor may invitations be extended to other passengers during the cruise. Reservations are available only as indicated in this brochure.

Please note that **Majestic Princess**[®] is registered in Bermuda, and therefore medical expenses incurred on board are not covered by Australia's Medicare. International medical costs are usually much higher than in Australia, and we very strongly recommend that passengers effect an adequate travel insurance policy, preferably at the time of paying a deposit.

If you are travelling alone and wish to share with another member of our Classic Concerts Cruise group, please contact us for more information. We will be happy to register the names of people wishing to travel on a "share with a stranger" basis. However this cannot be guaranteed. We will not be able to confirm a reservation until sufficient names have been matched to fill a stateroom completely. If a person subsequently cancels a reservation leaving a stateroom occupied at a reduced capacity the cruise fares will be reassessed and each remaining occupant of that stateroom will be required to pay the increased fare which will apply for the number of passengers actually travelling in that accommodation. Single staterooms and those for three or four passengers are capacity controlled and are subject to approval by Princess Cruises[®]. Staterooms for three or four people cannot be configured with a double bed.

DINING: Dinner in the ship's restaurant is served in two sittings, usually at 5.30 pm and 7.45 pm. Unless otherwise requested, our group members will be seated in first sitting, and we will endeavour to arrange for our tables to be in close proximity to each other. This will enable our members to have additional social contact with each other. Members may choose to be seated in second sitting, but this social aspect will be lost. You may, of course, wish to sample the specialty restaurants on board from time to time (at additional cost).

Our Radio Stations

Brisbane has three separate and distinct MBS radio stations, all operated by the Music Broadcasting Society of Queensland. In addition to the original **4MBS Classic FM**, the Society also operates **MBS Light** on the digital broadcast band and **Silver Memories**. Silver Memories is broadcast Australia-wide via satellite, and features nostalgia programs and music from the 20's, 30's, 40's and 50's. It is a subscription service delivered to private subscribers, retirement villages, nursing homes and some businesses. Dame Vera Lynn is Patron of Silver Memories.

These stations are all community broadcasters, and as such receive no operational funding from any level of government. Income is derived mainly from subscriptions, sponsorship and promotions.

In addition to the **Classic Concerts Cruise**, other major annual 4MBS activities include: May/June - **4MBS Festival of Classics** September/October – the **4MBS Brisbane Shakespeare Festival**

Also held infrequently is **Drama on the High Seas** – a cruise featuring private events of play-reading, performances and discussions about theatre-related activities. These are usually hosted by a distinguished actor-director, subject to his other commitments in Australia and overseas.
